

ISLAND EQUIPMENT OWNERS ASSOCIATION 2017 IEQA FOUNDER'S BURSARY

February 17, 2017

To: All Members of the Island Equipment Owners Association and their Employees

We are pleased to distribute applications for the 2017 IEQA Founder's Bursary. This bursary will be awarded to employees, or dependents of employees or principals of an IEQA member company, who are enrolled in a post secondary educational program or trades training program. Affiliate companies are not eligible for the bursary.

The Bursary Committee will accept applications from eligible individuals until May 31, 2017 and will award the bursary to the applicant(s) they feel are the most deserving. It is the committee's intent to award **at least one trades-based bursary and one academic-based bursary**, provided that suitable applications are received in both fields. The total value of the bursaries to be awarded this year is \$5,000 - \$10,000.

Please help the IEQA spread the word about this bursary by posting this announcement in your office and/or including a copy of the attached information sheet with your employee's paycheques. We know that there are many deserving students in your ranks that could use some financial assistance to achieve their goals. We hope to see a record number of applications this year.

Applications should be submitted to:
